Subject: Montrose Chemical: scope of Toeroek support

Hi, Keith. Below are our initial questions about the scope of support that EPA would like from Toeroek in the short-term on the Montrose Chemical effort. It would be helpful to get some additional guidance on both the scope of work as well as the intended use of the information, both of which will help us develop a more targeted deliverable.

Ex. 5 DP / Ex. 7(A)

Thanks,
Traci
